Re: SAE Visits and SAE Records/Summer Events

Greetings FFA Members!

I hope that you are having an excellent summer thus far! I am writing to strongly encourage you to be working on your SAE records and FFA records in our on-line system. I have enclosed a paper with details of the website and what to update. Most all of you have logged into this before and have worked on it at school. If you have not or have any questions – please let me know as soon as possible and I will help you! There is also a mobile app for our record system. Below are the steps for getting the mobile app.

### Steps to Get Started

**#1:** Visit [m.TheAET.com](http://m.TheAET.com).

**#2:** Click the menu icon and 'add to home screen' or 'bookmark' to save to your mobile device.

**#3:** Complete the required fields to sign in. Need help? Contact [info@theaet.com](mailto:info@theaet.com).

#### **SAE Visits:**

I will be coming around to visit your SAE project and make sure that your records are up to date. Dates that I am planning to come around are: July 21<sup>st</sup>, July 26<sup>th</sup> and August 2<sup>nd</sup>. Please let me know which date works best for you as a member. Also please indicate a time of day that would work best for you.

#### **Other summer events:**

Other events this summer that I am looking for help with:

**Brat Sale at Nilssen's on:** July 16<sup>th</sup> and 23<sup>rd</sup>. Our time frame from there is 9am – 6pm. We will have two shifts from 9am -1pm and then 1pm-6pm. Please let me know if you are able to help with either of these days.

**Ragnar race:** On August 12<sup>th</sup> the Ragnar race will be coming through Ellsworth. The FFA helps with laundry that night and in return our chapter earns funds. I am looking for 2 male and 3 female members to help that night.

**I look forward to hearing from and have a great summer!**
